

SCARVA
EARTHSTONE™
AIR DRYING MODELLING CLAY

■ **Available in 5kg & 12.5kg bags**

Suitable for schools that may not have a kiln, Earthstone air-drying clay produces an ideal opportunity for pupils to experiment and create with clay.

Manufactured by mixing fibres with the most plastic materials available, Earthstone air-drying clay has unrivalled strength and plasticity.

The super fine particle size allows model makers to produce very detailed forms.

Earthstone air-drying clay can be decorated with acrylic paints and clear varnish with excellent results.

Sea Monster Hand built using Earthstone air-drying clay.
